Section 29-20-102(3). The members of the Trail Authority are declared to be immune from suits arising from the conduct of the affairs of the Board, as provided in T.C.A. Section 29-20-201, except when such conduct amounts to willful, wanton, or gross negligence. 2. The Trail Authority is authorized to employ legal counsel or to utilize the services of an attorney or the attorneys of the individual governmental entities. If the legal services of an attorney retained by one of the governmental entities are to be used, the Trail Authority must first obtain the agreement of that entity. If the anticipated cost of necessary legal services is not included in the budget of the Tennessee Central Heritage Rail Trail, then the

Upon the withdrawal by a governmental entity, the withdrawing governmental entity shall no longer be entitled to membership on the Trail Authority and the membership of the Trail Authority shall be reduced accordingly.

3. **ENTITIES CEASING TO MAKE CONTRIBUTION.** If a governmental entity of this Agreement ceases to make its contribution to the annual operating budget of the Trail Authority that entity will lose the right to be represented on the Trail Authority and a vacancy will be deemed to have occurred with respect to that entity's member on the Board. In that event, the remaining contributing entities shall appoint an interim member from among the contributing entities to serve on the Trail Authority until the reinstatement or withdrawal of the non-contributing governmental entity. A non-contributing entity may regain its representation on the Trail Authority by agreement of the other entities according to terms specified in a reinstatement agreement.

If a non-contributing entity's failure to make its contribution to the annual operating budget of the Trail Authority continues for more than one (1) year without the reinstatement of that entity, that non-contributing entity shall be deemed to have withdrawn from this Agreement and shall lose its ownership interest in the Rail Trail properties, its contributions, and its membership on the Trail Authority as specified in this Section.

Needed Improvements At Putnam County Voting Precincts (Listed By Priority)

1. Brotherton Community Center: The handicapped accessibility ramp is too steep to meet the standards of the Americans with Disabilities Act (ADA) and the Help America Vote Act (HAVA.) The ramp also has a significant drop-off at one end. There also needs to be at least a 41-inch platform at the top of the ramp, to the left of the door, in order for a wheelchair-bound voter to maneuver. The restroom has a 29-inch door, too narrow to meet ADA requirements. We believe the county could construct a 3-foot door opening (36 inches) that would make the restroom accessible. Needs a designated handicapped parking space (paved or other hard surface), with proper sign and marking. 523 voters are currently registered in this precinct.
- ✓ 2. Double Springs Community Center: The handicapped ramp needs hand rails on both sides and also needs a designated handicapped parking space with proper marking. (which could be painted on the parking lot.) 1726 voters are registered at this precinct.
3. Buffalo Valley Community Center: The ramp is too steep. The carpet on the ramp is a tripping hazard. There is a nine-inch drop-off at the end of the ramp. Needs a designated handicapped parking space (paved or other hard surface), with proper sign and marking, and with a hard surface pathway from the parking space to the ramp. (Ted Hudelston has indicated that he may be able to make some of these improvements.) 265 voters are currently registered in this precinct.
4. Dry Valley School: Needs a designated handicapped parking space (paved or other hard surface), with proper sign and marking, located close to the concrete walkway into the school. Estimated cost for an asphalt pad: \$1,000 to \$1,500. Total registered voters in this precinct is 716.
5. Bangham Community Center: Needs a designated handicapped parking space (paved or other hard surface), with proper sign and marking. 1825 registered voters in this precinct.
- ✓ 6. Boma Community Center: Needs a designated handicapped parking space (paved or other hard surface), with proper sign and marking. Also needs to be connected to front door area with a small ramp. Total registered voters: 837
- ✓ 7. Twin Oak Community Center: The ramp is too steep. A 41-inch level base at the top of the ramp, to the left of the door, needs to be constructed. Door knobs need to be a level handle. A bottom rail needs to be added to the handrails on the ramp. A designated handicapped parking spot needs to be constructed with a paved pathway to the ramp, with proper sign and marking. (Dennis Tennant has indicated a willingness to work toward these improvements.) 1950 registered voters will be in this precinct.
